Shake off the cold and relax in the welcoming warmth of a Parkray stove. From slimline, space-conscious solutions, to powerful stoves perfect for open-plan living, a Parkray fire can warm up any space.

.....

YOU CAN RELAX KNOWING YOUR STOVE IS DESIGNED TO DELIVER RELIABLE PERFORMANCE, ENERGY EFFICIENCY, AND REDUCED EMISSIONS WHETHER YOU CHOOSE WOOD, GAS, OR ELECTRIC. COMBINING INNOVATIVE TECHNOLOGY WITH SIMPLE, EASY-TO-USE CONTROLS, THE PARKRAY RANGE OFFERS STYLISH HEATING SOLUTIONS TO SUIT EVERY HOME AND LIFESTYLE.

Our wood-burning stoves feature advanced Tripleburn® technology for cleaner, more efficient burning, producing significantly lower emissions and helping to improve air quality. Look out for the Eco Design 2022 and SIA logos for stoves that meet the latest environmental standards and offer greater peace of mind while you keep cosy.

From the authentic flame of wood, to the convenience of gas, or the simplicity of electric, discover the Parkray stove that provides the ideal heating solution for your home.

ASPECT 14 / STAINLESS STEEL HANDLE

Our range of contemporary designs means that we have a stove to suit every setting.

Parkray woodburning models

Parkray's woodburning stove range offers exceptional choice, combining timeless craftsmanship with outstanding heating performance.

FROM COMPACT MODELS IDEAL FOR SMALLER LIVING SPACES TO LARGER, HIGH-OUTPUT STOVES DESIGNED TO HEAT OPEN-PLAN INTERIORS, OUR COLLECTION INCLUDES A WIDE VARIETY OF SIZES AND HEAT OUTPUTS TO SUIT EVERY HOME AND LIFESTYLE.

Whether you are looking for a traditional focal point, a contemporary statement piece, a double-sided stove to connect two living spaces, or a powerful boiler stove to support your home heating and hot water system, Parkray offers a solution tailored to your needs. Designed with efficiency, durability and style in mind, every stove delivers the authentic warmth and character only a real woodburning fire can provide.

10 year woodburning warranty*

ALL PARKRAY AUTHORISED RETAILERS PROVIDE YOU WITH AN EXTENDED 10 YEAR WARRANTY ON OUR WOODBURNING STOVES.

*5 years warranty on Parkray boiler stove models.
For full warranty specifications, terms and a list of authorised retailers, please visit hunterstoves.co.uk

ASPECT 4 DOUBLE SIDED / STAINLESS STEEL HANDLE

aspect 4

PARKRAY CONTEMPORARY

THE ASPECT 4 AND ASPECT 4 COMPACT ARE THE SMALLEST OF THE ASPECT COLLECTION, BUT THEY REALLY KICK OUT SOME HEAT.

With a heat output range of 3-5.5kW, DEFRA approval and a very high efficiency, these stoves may be small but ensure a beautiful view of the flames through their large viewing window.

- 5X LESS SMOKE
- DEFRA APPROVED
- NO AIR BRICK REQUIRED
- 5" FLUE COLLAR
- TRIPLEBURN® TECHNOLOGY
- HOT AIRWASH SYSTEM
- LARGE VIEWING WINDOW
- GRATE KIT OPTION

* Distances when installed with a twin walled flue (with the addition of a heat shield). ** Wall must be a minimum of 75mm thick.

FAQs

- HOW MUCH SPACE WILL MY STOVE NEED?

With all our freestanding units, it is safe to install them with a clearance of 2" (50mm) either side to non-combustible material. However, for optimum performance and heat output, we recommend a clearance of 6" (150mm). Behind the stove, there should be a minimum clearance of 2" (50mm), however we recommend 4" (100mm) for optimum performance.
- WHAT IS A NOMINAL HEAT OUTPUT?

The nominal output is the output achieved under specific test conditions by the independent test laboratory. The stoves tend to be operated with the air controls set at less than maximum and with relatively modest loads. We recognise that end users are unlikely to operate the stoves in this way and therefore we carry out internal testing to suggest a reasonable heat output range that the end user should achieve without over-firing the unit.

options

PLINTH

You can choose to have your Aspect stove fitted on a log plinth, which raises it up off the floor and provides a handy place to store your wood. The plinth can be fitted on a 12mm hearth.

STOVE	HEIGHT	DEPTH	WIDTH

ASPECT 14B	225	539	667

BENCH

Aspect models have the option of being fitted on a bench. There is a choice of two lengths, 800mm and 1,195mm long. Both are at a height of 345mm and a depth of 415mm. Stoves fitted on benches can be installed on a 12mm hearth when freestanding.

DIRECT AIR

All of our Aspect stoves come with the option of a direct air kit.

DEEPER LOG RETAINER

Available on all Aspect models.

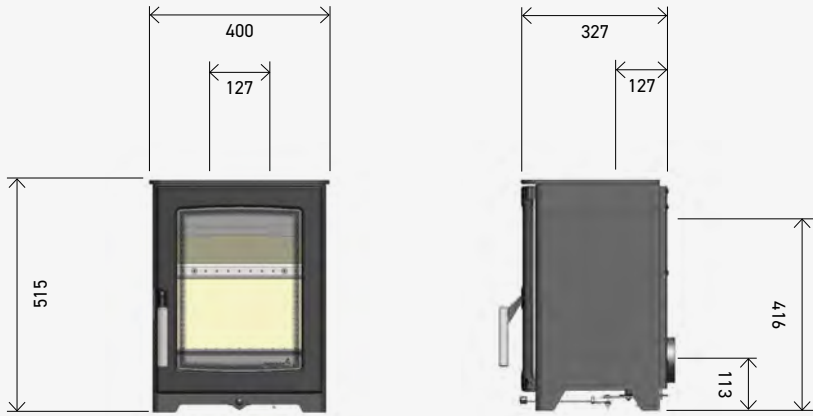

INTERCHANGEABLE FLUE OUTLETS

All of the Aspect range and gas models can be flued from either the top or the rear of the stove.

FUEL EFFECT

CONTROL

All of our gas models are supplied with realistic ceramic logs and a glowing ember bed, delivering the look and ambience of a real wood fire with the convenience of gas.

Each Parkray gas stove comes available with a hand-held digital display remote control. This handset can switch the stove on and off, and comes with seven flame picture settings. In the case of a misplaced remote control, the manual control allows continued operation of the stove. Plus, a handy pager system will audibly locate your remote device.

features

INTELLIGENT HEATING

The Parkray electric range is designed to actively manage room temperature to maintain consistent comfort. With dual heat settings of 750W and 1500W and built-in automatic temperature control, the appliance adjusts its output to meet your chosen setting while helping to minimise unnecessary energy use.

SCHEDULING & TIMERS

The built-in scheduling features allow you to tailor your heating around your daily routine. A sleep timer of up to eight hours and a fully programmable seven-day schedule enable you to set precise on and off times, temperatures and heat levels.

FLAME WITHOUT HEAT

The flame and lighting effects operate independently from the heating system, allowing you to enjoy the ambience of a fire even when no heat is required, providing atmosphere during warmer months as well as warmth in colder seasons.

CONTROL

Control your fire in the way that suits you best using the handheld remote, smartphone app, or on-unit control panel. For added ease, the appliance can also be integrated with voice control via Alexa, allowing you to operate basic functions hands-free.

VISUAL & FLAME EFFECTS

Customisable real fire colour settings allow you to tailor the flame display to suit any mood or interior.

A choice of eight Pure Flame visuals also lets you personalise the effect to achieve the look that best complements your space.

LIGHTING & REALISM FEATURES

Authentic real wood log beds feature across the entire electric range with Integrated log spotlights for enhanced log definition.
